

The University Health Service (UHS) has a new pilot line as follows:

- 1) 020-4913300 (From external networks)
- 2) 3300 (Internal VOIP network)

This will greatly improve the service provision and efficiency in terms of Communication at the UHS.

Regards,

Jared Nyambane Onyari,
Manager, Communication services,
ICT Center,
University of Nairobi.
