

## Vice-Chancellor meets CAE Academic Board

The Vice-Chancellor (VC), Prof. Peter M.F. Mbithi met the College of Architecture and Engineering (CAE) Academic Board on the Friday, 16 January, 2015, where he was presented with a memorandum by the college principal, [Eng. Prof. B.N.K. Njoroge](#). The document underlines the plans that the college seeks to achieve within the current financial period 2014/2015.

While giving his remarks, the VC said that the objective of his visit to CAE was to sincerely thank all the staff from the college for having attended and witnessed his installation in huge numbers, as well as having supported the University Management to bid the former VC, Prof George Magoha a warm farewell.

He also urged members of CAE to help him create a university that operated together as one, in order to fulfill its vision and mission. He also noted that the memorandum presented to him should become part of the day to day deliberations of CAE and should be effected immediately. He assured all that he will always be there to offer support whenever and wherever they needed.
